# QuickTake 30 Sample Pump

- **Grab sample pump with constant flow from 10 to 30 L/min**
  - Maintains set flow throughout a sampling period for complete sample integrity
  - Ideal for use with viable cascade impactors, spore trap cassettes such as VersaTrap®, asbestos cassettes, wall cavity samplers, or other samplers that require flows to 30 L/min
- **Run times up to 5 hours on one battery charge**
  - AC charger/adaptor for extended sampling
  - Reliable rechargeable lithium-ion battery pack
- **Compact and portable**
  - 9.3 x 8.4 x 3.5 in (23.6 x 21.3 x 8.9 cm)
  - Weighs only 4.8 pounds (2.2 kg)
  - Handle for easy portability
- **Easy-to-use programmable timer for unattended sampling**
  - Select sample time presets or customize timer from 1 to 999 minutes
  - Continuous run with manual shut-off
  - Intermittent sampling
  - Large, easy-to-use keypad
- **Versatile sampling accessories**
  - Wand for sampling in ductwork and other hard-to-reach areas
  - Mounting bracket for BioStage allows impactor to be mounted directly onto pump
- **Easy-to-use**
  - Simple no-tool calibration using any reliable calibrator
  - End-of-cycle visual and audible alarms
